

Bunny Baby Bib Pattern

I edited this pattern from my collection of vintage patterns to include information about the original thread and where to buy substitutions. I also included a pattern using UK terms for all my overseas friends. This is a vintage pattern and out of copyright in the US. Feel free to use it any way you want. You may edit it, change it, and create items for both personal and business uses. The only thing I ask is that you not include my edited portion in any books you offer for sale.

A practical and amusing baby bib to be crocheted of Enterprise Yarn. Soft and absorbent, it makes a good feeder, holds a lot of moisture and prevents soiling of the clothes beneath. In white and design in pink or blue, it's an acceptable shower gift or bazaar item.

Materials: One ball (or 2 skeins) white, 30 yds. color.

Enterprise yarn is discontinued but you can use Aunt Lydia's Size 3 Fashion Thread as a substitute.

Size: 9 x 10 inches (22.86x 25.40 cm).

Steel Crochet Hook No. 1 (2.75mm).

Pattern in US terms.
