

# Pullover Sweater Pattern | Sizes 8 (10-12-14)

I edited this pattern from my collection of vintage patterns to include information about the original thread and substitutions. I also included metrics for all my overseas friends.

This is a vintage pattern and out of copyright in the US. Feel free to use it any way you want. You may edit it, change it, and create items for both personal and business uses.

The only thing I ask is that you not include my edited portion in any books you offer for sale.

These directions are for subteen size 8. Changes for subteen sizes 10, 12 and 14 are in parentheses.
