

Debbie Doll Pattern

I edited these pattern from my collection of vintage patterns to include information about the original thread and where to buy substitutions, crochet patterns in both US and UK terms, and added UK, US, and Australian yarn names for all my overseas friends.

This a vintage pattern and out of copyright in the US. Please check the copyright rules for other countries to make sure the copyright has expired.

Feel free to use it any way you want. You may edit it, change it, and create items for both personal and business uses.

Feel free to give these away for free, but please do not include my edited portions in any books or pamphlets you offer for sale.

REQUIREMENTS:

THREAD: Bedspread Cotton This is a size 10 thread that is easy to find in one color for the main and a contrasting color for the trim.

CROCHET HOOK: 1-steel No. 7 (1.65 mm)

8-inch (20.32 cm) Character Doll

These were plastic dolls. Amazon and Walmart have the half dolls that you could use to make bed pillow dolls. You might be able to find some of the originals on ebay, or you could make your own dolls or buy the Darice muslin Dolls.
