

Lamb Toy Pattern

I edited this pattern from my collection of vintage patterns to include information about the original thread and substitutions. I also included metrics for all my overseas friends.

This is a vintage pattern and out of copyright in the US. Feel free to use it any way you want. You may edit it, change it, and create items for both personal and business uses.

The only thing I ask is that you not include my edited portion in any books you offer for sale.

ANIMAL GENERAL DIRECTIONS

BODY: Open 8 skeins. Lay one skein next to the other, matching ends of skeins. Untie knots at ends (lower edge). Cut extra long strands even at lower edge. Using 1 of these extra strands, tie strands loosely at upper edge (top of head). Cut all strands at lower edge. Insert ball, placing tie at center. Spread yarn smoothly to cover ball and tie very tightly 5 inches (12.70 cm) from top of head to form neck.

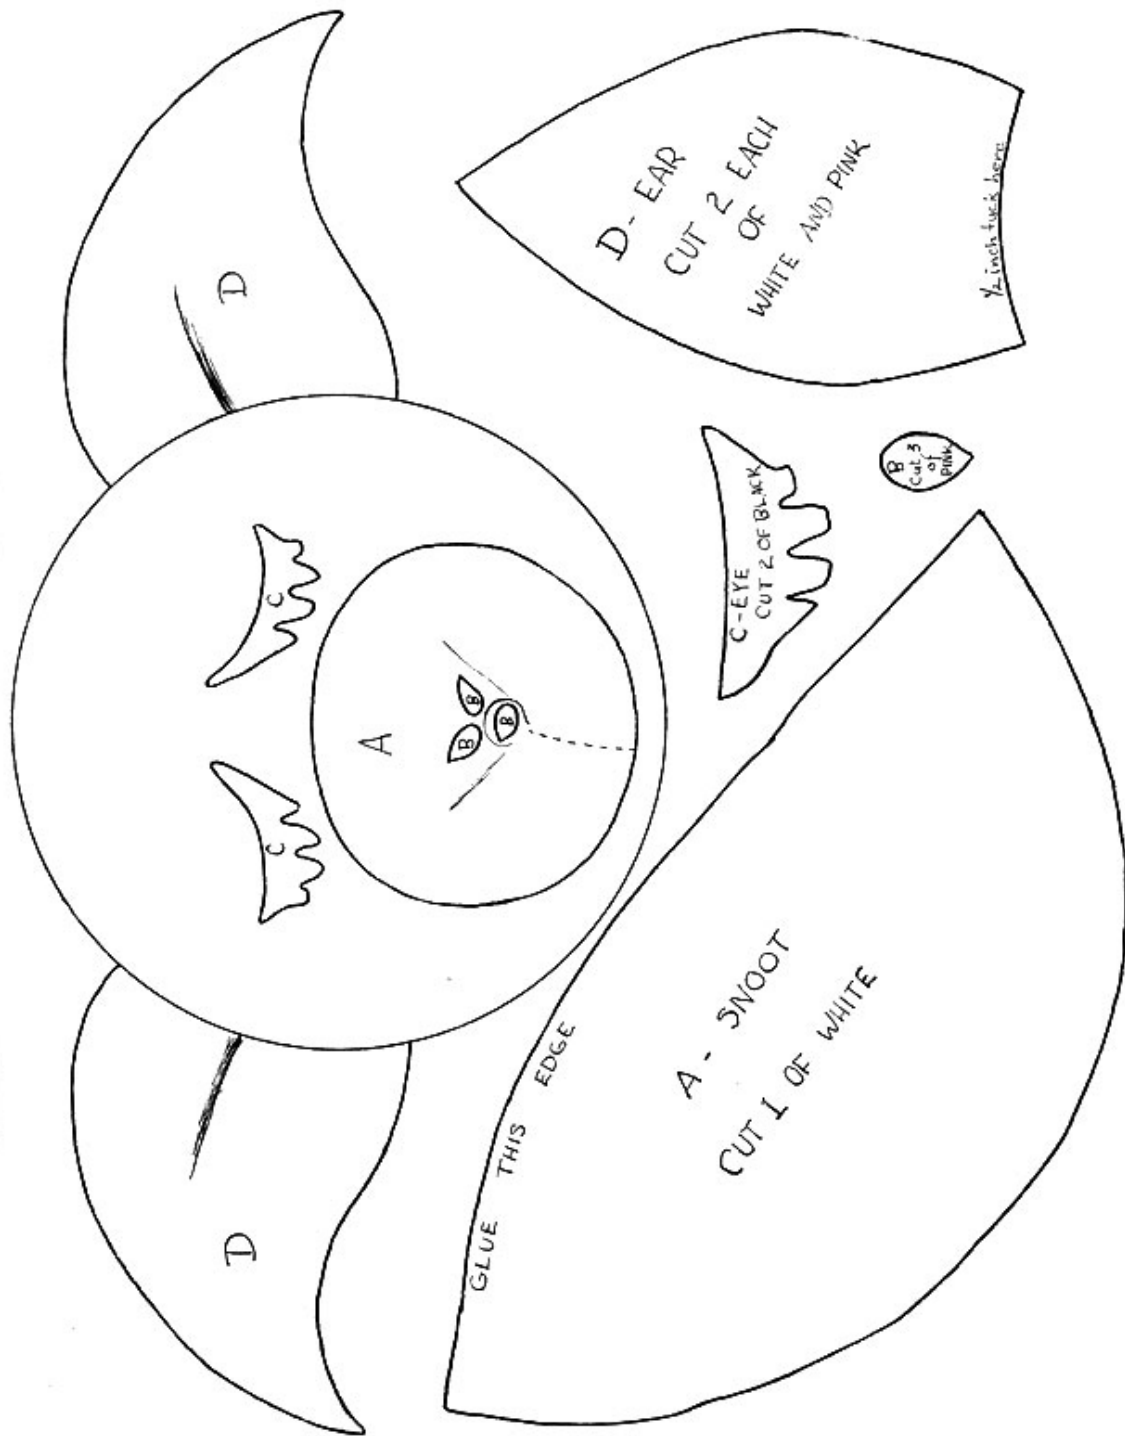

LEGS: Divide strands evenly into 8 sections and braid. Tie each braid together 2 inches (5.08cm) from end. Trim ends.

BODY: Follow General Directions.

FACE: Following colors as printed on drawings, cut pieces of felt to form face. Make a ½ inch (1.27cm) tuck in ear and tack in place. Spread yarn directly below top of head and pin ears in place. Stuff snout with cotton batting. Following diagram, pin remaining pieces.

TOP-KNOT: Using No. 10 (6.00mm) knitting needle or any large knitting needle, * wind yarn twice around needle and using a double strand of matching sewing thread, sew with a back-stitch along one edge of needle, repeat from * until piece measures 36 inches (91.44cm) at the sewn edge. Pin top-knot in place. Sew all pieces and top-knot in place. Tie ribbon around neck into a bow.
