

Slipper Pin Cushion Pattern

I edited this pattern from my collection of vintage patterns to include information about the original thread and where to buy substitutions. I also included a pattern using UK terms for all my overseas friends. This is a vintage pattern and out of copyright in the US. Feel free to use it any way you want. You may edit it, change it, and create items for both personal and business uses. The only thing I ask is that you not include my edited portion in any books you offer for sale.

J. & P. COATS "KNIT-CRO-SHEEN" METALLIC, Art. A.64: 1 ball of No. M.76 Robinette.

Dmc Herrschners lists nine colors**

Aunt Lydia's Herrschners lists fifty-four colors, Michael's lists twenty-six, Walmart lists one

Redheart Michael's lists five colors, Walmart lists three

Thread Art Walmart list twenty-seven colors

Herrschners Best Herrschners lists twenty colors.

If you want the glitter, you can also add metallic thread.

The least expensive I've found is Coats metallic decorative thread in the sewing thread area at Walmart. It comes in silver and light and dark silver gold.

Just run it along beside the cotton thread when you crochet.
