

09 Free Grayscale Coloring Page

This is an adult, 18+ coloring channel where I am sharing my coloring journey.

A graphic and pdf that you may download and color yourself and use to create items for both personal and business uses.

A link back to these files is appreciated but not required. The only thing I ask is that you do not claim my files as your own.

Steps used:

1. Color the entire area with the light pencil
2. Color the midtone grayscale areas with the medium pencil
3. Color the darkest grayscale areas with the dark pencil
4. Repeat steps 1 and 2 until happy with result
5. Blend the entire area with the light pencil

Supplies Needed: I am not affiliated with any businesses.
