

## 17 Free Grayscale Coloring Page

This is an adult, 18+ coloring channel where I am sharing my coloring journey.

A graphic and pdf that you may download and color yourself and use to create items for both personal and business uses.

A link back to these files is appreciated but not required. The only thing I ask is that you do not claim my files as your own.

Steps used:

1. Color the entire area with the light pencil
2. Color the midtone grayscale areas with the medium pencil
3. Color the darkest grayscale areas with the dark pencil
